

[Learn 2 Ride, Inc.](#)

[Other Courses available](#)

[Basic RiderCourse 2 - Skills Practice](#)

The [Basic RiderCourse 2 - Skills Practice](#) is designed for Licensed Riders wishing to further the skills introduced, learned and practiced in the Basic *RiderCourse* and consists of approximately 5 – 6 hours of on-cycle range instruction and practice, utilizing the student's own street-legal motorcycle.

The range activities practice slow speed control, limited space maneuvers, cornering judgment and finesse, braking quickly--straight-line and curves, and swerving to reinforce the skills found essentially absent in incident / crash involved motorcyclists.

[Advanced RiderCourse \(ARC\)](#)

The [Advanced RiderCourse \(ARC\)](#) is designed for Licensed Riders wishing to raise their skills to a higher level and consists of approximately 3 ½ hours of classroom activities identifying strategies to manage and reduce risk for safer street riding

The 4 ½ hours of on-cycle range instruction and practice, utilizing the student's own street-legal motorcycle practices techniques that extend beyond basic riding procedures to improve the performance capabilities of riders, particularly related to overall control, cornering and emergency maneuvers.
